Walk thru: NVHS – 7/25 at 7pm.

Practice times are listed on website. You need to provide your own lifeguard. Lifeguard cannot be an active coach.

Discussion was held on whether the warm-down pool should be used. It was decided to use it for the Friday night session, but not during either Saturday session.

Please remind all swimmers attending the Saturday sessions that they will be bull panned. The Saturday PM session was crazy last year.

Estimates are due Sunday, 7/23. Please send ACCURATE estimates. If you have a rain-out meet scheduled, you still need to send your estimates in by Sunday. You can make any changes due to times achieved at the make-up meet until Wednesday at noon.

Reminder that each team will not receive their awards until their team area is cleaned up.

Reminder to make sure your coach reviews the final roster before submitting. There will be fines for any changes made. Make sure alternates are listed on relays. There is no fine for making changes with alternates.

Scratches need to be made at the scratch meeting. Dianna will send out a list of all fines to reps before Sunday's deadline.
