

## **Classic Meet Job Oversight Responsibility Summary**

Each team's Park District Representative is responsible for a Job Oversight aspect of the Classic Championship Meet, for example, Timers, Awards, etc. It is your responsibility to oversee this assigned area and ensure that all aspects under your supervision run smoothly. This does not mean that your team has to supply all of the workers for that area but your job is to supervise those workers from your team and others that are assigned to support the area. Workers will be distributed proportionally based on the number of swimmers participating in the Classic Meet from each team. If your area of responsibility requires supplies, it is your responsibility to purchase them. Each area of responsibility is listed below with a website reference for full job description.
