

## 2007 Conference Championship Meet T-Shirt Preorder Form

For the 2007 Classic and City Meets, the Naperville Park District, in agreement with each of the 23 member pools, is selling our Championship shirts on a Pre Sales basis only. This will give everyone more than ample time to get the shirts before the meets and show your support of the events.

We are doing this to give the parents of swimmers the opportunity to get the shirts to wear to the meet and the swimmers a chance to get a shirt before they run out at the meet. A limited number of shirts may be available at the meets for a slightly higher charge than the pre-sale prices.

Please fill out the information below and get the forms and checks to your pool's park district representative before June 26th. Shirts will be distributed to the pools the week of July 9th

Thanks
